HP. PWD. Himachal Pradesh.**

Subject:- Submission of information in context of the attestation of mutation for the land acquired by the department for c/o roads in the State. (Acquisition of Land and upkeep of Land Record/ General Guidelines and Instructions as per HP. FC. Standing Order No.28).

Sir,

I have the honour to draw your kind attention towards the Engineer-in-Chief, HP. PWD. Shimla-2, letter No.PW(R) Land Acquisition /WS/2018-4087-4150 dated 04/08/2018 & 5153-5200 dated 11/09/2018, as well as this office letter even file No. 154-300 dated 13/08/2018, 337-461 dated 05/09/2018, 478-622 dated 25/09/2018, 712-856 dated 09/10/2018 & 866-1010 dated 04/12/2018, vide which you were intimated that the department of Public Works has acquired land for the construction of various roads in the state from time to time. The importance of updating the revenue record pursuant to acquisition of land is vital for reducing the litigations of the department, which consumes lot of time and energy of the official of department and need not to be reemphasized for the sake of repetition. Some cases have come to the notices which have been instituted against the department as mutation have not been attested in favour of the department and original owners still figure in the ownership column of the revenue record. Accordingly worthy ACS (PW) held a meeting on 07/09/2018 in which she has suggested that an officer of the level of an Assistant Engineer should be designated as NODAL OFFICER in each Division & Circle for coordination all land acquisition matters with the concerned officers which will go a long way in streamlining the working of the office and reducing litigations as all issues would come in focus for resolving them. He/she would be responsible and accountable for maintaining ASSETS

REGISTER of the land and all other record of relevant and updated information pursuant to various instructions guidelines and provisions of Standing Orders etc. in context of acquisition of land. Accordingly you were requested to notify the **Nodal Officer** as per direction of ACS (PW) and expedite the same information to this office at the earliest on the enclosed Proforma which is still awaited from you even after the lapse of six months. You were also requested to supply the list of such roads/cases which have come to your notice where land has been acquired but mutation has not been attested in favour of the department and entries in land records still remains in the name of previous land owners which is one main cause of litigations, along with other information as has been requested in the said letter dated 04/12/2018, which is also still awaited.

Kindly treat it most urgent and expedite the information within a week's time.

Enclosure:-

As above.

*List of notified
Nodal Officer*

Yours Sincerely,

(Lokender Singh Chauhan)
