process for tenders floated through e-procurement Portal.

In this regard, a copy of letter no. Fin. (TR)B(15)-1-2016-loose-III / dated 30/09/2020 received from The Additional Chief Secretary, Treasuries, Accounts & Lotteries, Kasumpti, Shimla-9 is enclosed herewith for information and taking immediate necessary action. The Treasuries, Accounts & Lotteries Department. has intimated that the compliance regarding completion of all stages till award of contract (AOC) through e- procurement portal has not been updated by the department on e procurement portal and sent the detail of pending tender of HPPWD department as under:-

Sr No	Total tender Published	AOC tenders	Cancelled	Re-tendered	Pending tenders awaiting uploaded of AOC
1	4876	1693	804	128	2251

In this connection, necessary directions have already been issued from time to time by this office, but it revealed that no progress has been made by the field functionaries. It has also observed that in tendering process, there are five stages i.e (i) To be opened (2) Technical Opened (3) Technical Evaluation (4) Financial Process (5) Financial Evaluated, but from the perusal of the portal it seems that the same was not completed by the Divisions/ tender Assistant properly. Now in order to streamline the system it has been decided that the Zonal Chief Engineers will maintain Zone Wise record of all stage of tenders and send the consolidated information to this office for every month on the following format before 5th of next month positively.

I am directed to intimate that AOCs for the year 2019-20 have not been updated by the departments on e-Procurement portal and are shown pending on portal. The details of AOC for uploading are as per following table:

Sr.No.	Department	Total Tender Published	AOC tenders	Cancelled	Retendered	Pending tenders awaiting upload of AOC
1.	IPH	1531	461	491	19	560
2.	HPPWD	4876	1693	804	128	2251
3.	MC Shimla	698	24	91	1	582
4.	Health	243	26	109	3	105
5.	Industries	43	1	25	0	17
6.	HP Civil Supply Corp.Ltd	23	0	4	0	17
7.	Medical Edu. & Research	138	24	42	3	69
8.	Urban Development	441	50	41	0	350

Updating the AOC status on the e-Procurement portal is critical for completing the full cycle of tendering process. Roll out of the e-Procurement system in all Govt. departments is one of the result to be achieved under the World Bank aided HPPPFM CB Project being implemented by the state. The EAPs are likely to be reviewed by the Chief Secretary in near future.

Therefore, you are requested to direct the concerned officials to upload the AOC on e-Procurement portal so that latest updated information is available during EAP review meeting by the Chief Secretary.

Yours faithfully,
