To

All the Chief Engineers
In HPPWD.
All the Superintending Engineers,
In HPPWD,

Subject:- Instructions to uploaded BOQ on hptender website of tender .

It has been observed that most of the BOQ's being uploaded on website of e-tender are uploaded in a casual way, which have error and can lead to financial/ legal implication in future.

The Standard format of BOQ on the website has total 55 Nos columns and no additional columns can be added in the said format but the columns not require can be hide at the time of uploading of BOQ.

Instances have come to knowledge of this office that some divisions hide the columns No. 54 i.e amount with taxes and unhide the columns No. 53 i.e amount without taxes which is contrary to the conditions of SBD applicable for State Works and can lead to disputes in future.

All the field functionaries are hereby directed to take care during uploading of e- tenders and hide the relevant columns only to avoid complications in later stage.

Treat it as Most Urgent.
