D.O. No. PW-CTR-ACG-Ap. Committee/2014- 5890-96  
Public Works Department H.P.

Dated Shimla the 7<sup>th</sup> July, 2014.

Dear

I am to invite attention my earlier d.o. letters and to send herewith a list of pending FATRs pertaining to the this department. At the present department has 21 FATRs pending out of which three reports are pending prior to the year, 2000 where replies are pending. In five reports which are pending for the last two/three yers, even first reply has not neen sent to Vidhan Sabha. I have been requesting you time and again to take personal interest to get the replies prepared/sent with complete compliance. But it is regretted to point out that no action seems to have been taken at zonal level to convene meetings to review the pending of CAG PAC reports resulting the replies to the pending FATRs are still from your Zone.

I would therefore; once again like to request you to review the pendency of PAC reports regularly at Zonal level and status report be sent by 10<sup>th</sup> of each month. It should invariably be ensured that the replies are sent with complete compliance as the reports with incomplete compliance are being returned back by the Vidhan Sabha and are not being considered.

With best wishes,

Yours sincerely,

(Er. Naresh Sharma)
