No. NHIDCL/HR/Mis correspondence/2020/184648

Dated: 12.05.2022

Dear Sir,

Pr. Secy (PWD)

The National Highways and Infrastructure Development Corporation (NHIDCL) is a fully owned Public Section Undertaking (PSU) fully owned by the Ministry of Road Transport and Highways, Government of India. NHIDCL is engaged in building strategic roads connecting the international borders in the North Eastern States of India, Jammu and Kashmir, Ladakh and Andaman & Nicobar Islands. NHIDCL works in very challenging and difficult terrain. For this, we have taken a large number of serving officers, including officers from state governments, on deputation and they are being deployed on our projects. I am sure, this will enrich their working experience in high altitude areas and expose them to newer and innovative methods of road building. On their return to the cadre, the exposure gained by these officers would be of immense benefit to the state government.
