Dated:- 02/03/2020

To

ASHOK PANJLA TILES
BADHI NURPUR, KANGRA,
HIMACHAL PRADESH.

Sub:- Regarding approval of 80 mm thick Paver Block Interlocking Tiles M40.

Ref:- Your office letter No. -Nil- dated 18-11-2019.

With reference to your office letter referred above the technical committee in its meeting held on 27-12-2019 and subsequent clarification received on dated 28-02-2020 and proceeding signed on 28-02-2020 has recommended the following products of your company "ATLANTICA TILES" on pilot basis with following terms and condition for a period of one year from date of issue.

A) Paver Block Interlocking Tiles 80 mm thick As per IS code 15658:2006 .

Each lot of product should confirm to all specifications related to crushing strength, abrasion test and other mandatory requirements related to quality mentioned in IS code 15658:2006, which specifically relates to paver block and must be accompanied with all other requisite Quality Control tests certificate of certified standard.

The materials supplied should fulfill all the norms and specifications as above. This approval is valid for one year initially and further continuation of the approval of the product shall be decided, thereafter based on the mandatory feedback/performance report submitted by the Zonal Chief Engineers, if applied by the firm.

The approval does not absolve off the Executive/Supervisory staff from their responsibility for using correct quality products. Mandatory checks about the quality of the material will be carried out before use as laid down in the codes pertaining to the above product and the records of the same be maintained.

Please note that approval given here can be cancelled at any point of time during the currency of approval period, in case of adverse report on performance of your firm/Products received from field offices without waiting for the expiry of period of one year.

The product should contain the trade mark as per the certificate of registration.
