**Subject: -**

**Regarding completion of all tender stages till award of(AOC) process for tenders floated through e-procurement Portal.**

On the subject cited above it is intimated that a meeting to process review of e-procurement project was held with the joint Director (IT) on dated 15/10/2018 & 16/11/2018 at IT Bhawan Mehli. During the meeting a serious concern was raised over non uploading of award of contract details for the tenders floated through e-procurement portal by the department. The abstract of tenders floated by the PWD through <https://hptenders.gov.in>, but award of contract (AOC) not uploaded on portal is given as under:-

Sr No.	Financial Year	Descriptions	Total Nos tenders
1	2017-18	Total Tenders uploaded on State Portal	3222
		Tender cancelled	245
		Re- Tendered	34
		AOC uploaded on the portal	659
2	2018-19	Total Tenders uploaded on State Portal till 27/11/2018	3133
		Tender cancelled	144
		Re- Tendered	63
		AOC uploaded on the portal	208

You are therefore requested to direct all the concerned to upload the letter of award of work of each & every tenders with detail which has been floated through e-procurement portal. In case the tenders are not reached to the stage of award its result should be uploaded on the portal including its cancelation or as the case may be. This process should be completed within one week without any delay.

For any technical sport contract Mr. Anuj Bhardwaj M.
