PUBLIC WORKS DEPARTMENT

e-mail :- pwd-hp-@ nic.in

No PW /CTR//32-20/Tender Documents. /2023-24- 9800-9900 Dated:- 5/8/23

To

All the Chief Engineers,

In HPPWD.

All the Superintending Engineers,

In HPPWD.

Subject:- Regarding **relax the enlistment rule 8.1 of Enlistment Rule 2021.**

In this regard, it is intimated that the whole state has faced the unprecedented loss of the property and loss of infrastructure like roads, buildings, Bridges, water supply, Electricity etc. There is a big threat to make all things in main stream. This department has also experienced a big loss to roads and buildings structure. However the restoration of rain damages has been started up to some extent but major works are yet to be taken up. As per conditions of Enlistment Rule 2021, the contractors of class D are eligible for works up to 50.00 lac, but most of class D contractor do not possess the ownership of machineries like JCB, pocklane, tipper and supplying of material i.e sand aggregate and do not have the capacity to complete the works in time bound manner. Now there is no option to hire the machineries from the higher class of contractors. Some R /wall, B/Wall cannot be taken up only through class C&D contractors as they are supposed to be completed in minimum period to avoid the further loss and upcoming apple season and make road traffic worthy. The matter has been examined by the designated committee and found that the restoration works is still under process and requires immediately completion but due to non availability of required machinery, the relaxation in rule 8.1 is hereby given for specialised works where, the required machinery is not available or quantum of work is more and therefore, all classes of contractor should be allowed to tender up to 31-10-2023 for timely restoration of Roads/ Bridges

Encl. As above.

Engineer -in-Chief
HPPWD, Shimla-2

Copy of above is forwarded to:-

1. All the Executive Engineers in HPPWD for information and necessary action.
2. The Executive Engineer (IT) in this office. He is requested to upload the same on the departmental website.

Engineer -in-Chief
