Subject:- Regarding submission of Performance Security

As you are well aware that a successful bidder after the receipt of letter of Acceptance is required to delivered a performance Security in the shape of Fixed Deposit Receipts or Guarantees in case of State works and Bank Guarantee (including e-Bank Guarantee) in the case of PMGSY works, but it has been come to the notice of this office that some contractors have withdrawn their Fixed Deposit Receipts or Bank Guarantees after the award of work and the same is being used for obtaining other works. However, as per Bidding Document, the contractor shall get these FDR or Bank Guarantees (including e-Bank Guarantee) extended in such a way that an amount equal to the requisite performance Security is always available with the Employer until 45 days after the lapse of Defect Liability Period in PMGSY/NABARD work and in case of state work minimum 60 days after stipulated dated of completion. In case the time for completion of work gets enlarged, the contractor shall get the validity of Performance Guarantee extended to cover such enlarged time for completion of work.

You are, therefore, requested to ensure that the provisions of bidding document be strictly adhered, failing which action against the defaulter as deemed fit will be initiated.

Engineer-in-Chief,
HP PWD, Shimla-2
