To

All the Superintending Engineers,
In HPPWD.

Subject:- Relaxation in minimum education qualification in class "D"
Contractors in HPPWD.

This office has received various reference regarding Minimum qualification for Registration/ Enlistment as class "D" Contractor who were earlier Registered/ Enlisted as class "C", under provision of Enlistment Rule 2015 and could not renewed their Registration/Enlistment due to non fulfillment of work done or any other reasons.

The matter was placed before the designated committee under Rule 24.1 of Enlistment Rule 2021. The matter was discussed in the meeting held on 10-07-2024. The Enlistment Rule 2021 provides that the Contractor(s) who intends to register in class "D" Contractor should be middle/metric pass, whereas there was no education criteria permissible for registration as class C contractor in Enlistment Rule 2015. The renewal of enlistment/ registration of class -C contractor could not be done due to non fulfillment of work done & other reasons and now intends to register/ enlist themselves afresh as class "D" Contractor.

Therefore, the committee unanimously decided to relax the education qualification criteria for those Contractors who were already Enlisted in class "C" and could not get their Enlistment renewed in time due to non fulfilment of work done criteria in class "C" and other reasons and wants to get themselves enlisted in class D category subject to fulfilment of other criteria laid down in the Enlistment Rule 2021.

Encl. nil.

Engineer -in-Chief
