Dated Shimla-2, the , 2015

Subject: Directions for not procuring cement from private vendors.

Sir,

I am directed to say that it has been noticed that in HPPWD, cement is being procured from private vendors/ open market without any dire need and without having permission from competent authorities. Such a frequent purchase of cement from open market tantamounts to financial mis-management as well as undue financial burden on the State Exchequer. This has been viewed seriously.

In view of the above, I am directed to convey that all Chief Engineers should ensure that cement is not routinely procured from private vendors in future, except in emergency for a specific project/purpose with written permission of concerned Superintending Engineer. You are, therefore, requested to issue directions to all concerned that the above directions may be abide by in letter and spirit and any lapse/failure to follow these directions will attract disciplinary action under relevant rules.

This may be treated as MOST URGENT.

Yours faithfully,

(K.R.Saizal)
