

**HIMACHAL PRADESH
PUBLIC WORKS DEPARTMENT**

OFFICE ORDER

Consequent upon evolution of building materials and availability of various kinds of new materials in the market which are neither time tested / approved by the HP.PWD nor confirmed to BIS specification, even most of the companies refused to share the specifications of the product stating as their patent. To overcome the issue, it has been decided to form a Technical Committee for approval of new materials including finalisation of rate of such items for induction in HPSR, so that only items approved by the committee or items available in HPSR can only be specified for any project in HP.PWD. The technical committee shall consist of following:-

- | | |
|--|------------------|
| 1. Engineer-in-Chief (Project) | Chairman |
| 2. Architect - in - Chief | Member |
| 3. Superintending Engineer (QC&D) HP.PWD | Member Secretary |
| 4. Superintending Engineer (D-III), HP.PWD | Member |
| 5. Superintending Engineer (Elect.) Shimla | Member |
| 6. Executive Engineer (D) Bldg. | Member |
| 7. Joint Controller (F&A) HP.PWD | Member |
| 8. Planning Officer (Bldg.) | Member |
| 9. Head Drafts man (C&S) | Member |

The Committee shall meet once in a month so that any new useful item available in the market or introduced by any company can be inducted in the HPSR. The Committee is also authorized to delete any item from the HPSR which is not useful or the result of which is not up to mark.
