The Adoption of CPWD works Manual 2019, SOP to works manual 2019 and CPWD Maintenance Manual 2019 in HPPWD from October 1,2020 has been approved by Government of HP.

It was apprised in meeting to all members that CPWD has framed Guidelines for approval of new products and are being modified from time to time. The list of all members who participated in the meeting is attached.

As per Office Memorandum dated 1/05/2019 , Approval of New Products has been entrusted by Directorate on 4-02-2019. These memorandums (Annexure A and B) were discussed in details with proforma for approval of new building Products and after due deliberations it was decided as under:-

A Product Evaluation Committee (PEC) to be constituted at Zonal level comprising of the following members:-

- i) Chief Engineer (Zonal Office)
 - ii) Superintending Engineer (Design) in Zonal Office
 - iii) Superintending Engineer (Concerned Circle Office)
 - iv) Executive Engineer (Buildings/Roads) in Zonal office
- Optional members can be co-opted for expert view with the approval of Chief Engineer (Zonal office)

Executive Engineer (Buildings/Roads) in Zonal office will be presenting the case before PEC

- i) Companies or manufacturers will be asked to present their product before PEC. PEC will decide on the basis of technical data and previous performance of the product.
- ii) Matter will be placed before Chief Engineer (Zonal Office) for final approval
- iii) Companies or manufacturers will be intimated regarding approval or non approval of their product.
- iv) Product which is approved will be circulated on the web site of HPPWD
- v) Initially the product approval shall be for 6 months and can be revalidated by PEC after evaluation of performance report of the product.
- vi) Approval will be granted along with nomenclature, specification and analysis of rate etc. so that product could be used uniformly.

Meeting of PEC will be held once in three months i.e. 4 times a year or as per requirement. Manufacturers/firms who are interested in getting approval of

their product shall submit their proposal addressed to Chief Engineer(Zonal Office) at the office address.

The concerned Zonal Chief Engineers will approve the new products for a period of 6 months and observe their performance. Along with approval, Chief Engineers will circulate brief specifications of the products including nomenclature of complete item incorporating new product. They will direct their SEs/EEs to incorporate such products in NITs. On the basis of performance observed during the span of 6 months and satisfactory performance report, Chief Engineer will forward the complete case i.e. Nomenclature of item, Analysis of rate and specification for incorporating them in SoR with his/her recommendations. In case the performance of the product is not found satisfactory, the same shall be circulated to all Zones for not using such products in HPPWD and such products shall not be considered for approval for the next 2 years in entire HPPWD. If contradictory reports are received from different Zones, the products shall not be considered for incorporation in SoR.

Keeping in view above discussions, observations/suggestions/recommendations of the Committee are sent to Engineer-in Chief, HPPWD, Nirman Bhawan, Shimla for necessary action.

It was also informed in this meeting that 3 firms whose products were recommended earlier with validity of one year initially have requested to extend it further due to Covid 19 pandemic which had stalled all activities in lockdown period.

It was decided by Committee to extend validity to all 3 firms upto 31-12-2020 strictly in view of Covid 19 pandemic and lockdown prevailing in the state.

The details of the firms are as under:-
