Subject:- Approval for Polymer Modified Bitumen in Himachal Pradesh.

Reference:- Your office Letter No. OPMB/TECH/323 dated 29-07-2019.

With reference to your office letter referred above the technical committee in its meeting held on 20-08-2019 has recommended the following products of your Company on pilot basis with following terms and conditions for a period of one year.

- Ooms PMB 120
- Ooms PMB 70
- Ooms PMB 40

The raw material used for the production of PMB should be procured from PSU's (Indian Oil Corporation or Hindustan Petroleum)

Each lot of material supplied must be accompanied with manufactures test certificates/ from NABL accredited labs.

The lot wise independent Quality Control tests should be conducted on each supply.

The material supplied should fulfil all the **norms and specifications of IRC/ IS Code**. This approval is valid for one year initially and further continuation of the approval of the product shall be decided, thereafter, based on the mandatory feedback/ performance report submitted by the Zonal Chief Engineers and Chief Engineer (NH). In case any information using the product notices any defect/ discrepancy, the same will be reported immediately without waiting for the expiry of the period of one year.

The approval does not absolve off the Executive/Supervisory staff from their responsibility for using correct quality product. It is only after they are satisfied about the quality and the performance, the product should be used. Mandatory checks about the quality will be carried out as laid down and the records of the same be maintained.
