Subject: -- Yard stick rates for routine maintenance of roads.

Yard stick rates were earlier fixed vide this office

No.PW(R) 123- maintenance /WS-(S) - 2471 - 2551 dated 20-06-1997 for maintenance of road. Now revision had become necessary due to escalation in prices of material and hike in daily wages of workmen sine June 1997. Accordingly due yard stick rates for maintenance of roads are revised as under:--

Paved Roads:

Hill roads below altitude of 2000 mt above MSL = Rs. 51350/- Per Km. / Year

Hill roads in High altitude area of More than 2000 Mt above MSL = Rs.64200/- Per Km. / Year

Un Paved Roads:

Hill roads below altitude of 2000 mt above MSL = Rs. 40950 Per Km. / Year

Hills road in High altitude area of more than 2000 mt. above MSL = Rs. 51200/- Per Km. / Year

These rates include all the activities of routine maintenance mainly as under:-

1. Upkeep of road pavements and side shoulders.
2. Upkeep of road side drainage system.
3. Upkeep of culverts, bridges, earth retaining structure and parapets and minor repairs these of.
4. Upkeep of road side furniture such as sign boards, km stone, guide stones etc.
5. Maintenance of road side arboriculture etc.
6. The revised rates are meant only for purpose of projecting requirement of funds and are not in anyway indicating actual per Km. cost of work, which may be at variance with these yard stick rate depending upon nature of works.
